All:

Thanks for your efforts during the workshop. I am happy to report that all appendices were resubmitted to EPA legal for final backcheck and Alice has begun to approve them (Appendix A, B, C, and H have been approved to date). Once you receive approval, please proceed to remove the confidentiality header, do a final formatting check (and associated QC checklist sections), and post the PDF to Sharepoint. All Appendices must be completed by tomorrow.

Truly great effort and progress this week.

Regards,

Scott
